

Blackwell Medical Centre/Village Surgery

Salaried GP

We are looking to recruit a highly motivated forward thinking Salaried GP for 6 to 8 sessions a week, offering a good work life balance with flexibility.

Blackwell Medical Centre/Village Surgery is located close to the M1 J28/A38 for great transport links and the beautiful Derbyshire countryside right on your doorstep. We are a friendly, well established 3 partner practice serving a population of around 9000 patients from these two practices, and along with an excellent supportive team, we offer a high standard of medical care to the whole population and create an effective partnership between patients and healthcare professionals.

We are looking to recruit someone who is open to challenges and changes, someone who is willing to work with us and become proud to be part of our team and someone who is willing to care for patients and their families in the way that you believe is best, delivering our high standard of service and sharing best practice. In return we are open to discussions around career development, we will encourage and support role progression and work with you to meet your expectations supporting you and providing an environment where you'll feel empowered, listened to and valued to allow you to bring your best self to work everyday

- Flexible hours/sessions
- Competitive salary, indemnity fees paid
- Semi-rural setting
- High QOF achieving Practice
- Good in all domains of CQC inspection
- Opportunity to focus on areas of clinical interest
- Mentoring sessions
- Approved training practice

Applications welcome from both new and experienced GP's please provide full CV and covering letter to joanna.southcott@nhs.net

Please call Dr Joanna Southcott to arrange an informal visit on 01773 833133 or email joanna.southcott@nhs.net

Closing date 31st January or as soon as the position is filled.
