

PRACTICE CHAMPIONS

Become a volunteer Practice Champion

Why?

To be a critical friend of the Practice

To support the mental and physical wellbeing of patients of the Practice

Promote the Practice and its key messages in the community

Act as a volunteer at Practice events (e.g. vaccination clinics and health promotion events)

We will be hosting an event in the near future to further explore ideas and ways forward. We would welcome expressions of interest to come to the inaugural meeting of 'Practice Champions.'

If you are interested in attending to learn more about how you could be involved please email harvey.practice@nhs.net
