

Digital Volunteers here every Thursday 9.30am—12.00pm

Did you know you can do this online:

- Order a repeat prescription
- View medical test results
- See your Covid vaccination status (Covid Passport)
- View your patient record
- Request sick notes/fit notes
- Tell us you've moved address
- And more!

The Digital Volunteers can help you— just bring your laptop/tablet/smartphone to our drop-in session.

Please ask at reception for details
