Message from Dr Law

After 12 years at Atherley House the time has come for me to retire and I shall be leaving in March. It has been a privilege to have been able to get to know you all over the years and to have been involved in your care. The experience has enriched my life.

We have been very fortunate that Dr Dhaliwal will be joining Atherley House Surgery. I am confident that he and the rest of the dedicated team at Atherley House will do their very best to care for your health. I wish you good health and happiness for the future.

Best wishes, Dr Caroline Law

GP recruitment

We are very pleased to inform you that Dr Dhaliwal will be joining the practice from April 2025 and will be working 6 sessions per week.

Dr Dhaliwal has most recently been working across the Southampton area as a locum GP but will be joining Atherley House as a Partner.

This will increase our total number of GP sessions by 2 per week which we hope will enhance our patients experience.

Newsletter

February 2025

We are in the process of launching our brand new website. The new website will be much more user friendly with improved functionality, giving you more options of ways to interact with us in a way that is most convenient to you.

The planned launch for the website is end of March 2025. We look forward to sharing more details with you soon!

HOW WAS YOUR EXPERIENCE?

We love to hear from our patients, your feedback is so important to us. Your commendation when you have had excellent service means a lot to our team, but we understand things do not always go as smoothly as we would like. This feedback is just as important to help us review and change our processes.

We would be grateful if you could take the time to leave a review on our NHS webpage; this is a good reflection opportunity for us as a practice and helps new patients who are moving in to the area find a suitable practice local to them.
