

RAMSBURY & WANBOROUGH SURGERY CARERS

Do you look after someone who is ill, frail, disabled or has mental health problems?

We know that Carers are often 'hidden' looking after a family member, friend or neighbour with day to day tasks and may not see themselves as a Carer.

Who is a Carer? A Carer is someone who looks after a relative, partner or friend who cannot manage at home without help due to a disability, illness or because they are frail. Carers fall broadly into 3 groups, Adult Carers, Parent Carers and Young Carers.

Ramsbury & Wanborough Surgery holds a Carers Register and throughout the year dedicated events for Carers providing support and further information. We work closely with Carer Support Wiltshire and can offer Carers a free health check along with a Carers assessment from Carer Support Wiltshire.

If you are a Young Carer between the Ages of 5 and 18 Spurgeons Young Carers in Wiltshire can offer further support, information and advice (www.spurgeons.org)
