

Revised 15/07/2025

## ROUTINE CONSULTATIONS

To make an appointment to see a clinician, you can book online (requires registration)

[www.readinguniversitymedicalpractice.nhs.uk](http://www.readinguniversitymedicalpractice.nhs.uk), by telephone on 0118 9874551 or come into the Health Centre.

In general, a GP can only deal with one problem in a standard 10 minute appointment. If a patient needs to discuss more than 1 problem, they should book a double appointment, to allow time for this. If you have two small issues the GP may be able to deal with these in a standard 10 minute appointment but please mention this at the start of your consultation.

**When you book, you will be asked to state briefly the nature of your appointment to enable us to direct you to the most appropriate member of the health care team.**

## TELEPHONE CONSULTATIONS

You can also make an appointment to speak to a doctor or nurse on the phone by calling 0118 9874551

## URGENT APPOINTMENTS

If you have an urgent problem, you should phone us as early as possible, as we always release some appointments for patients who need medical attention on the same day. We ask you not to arrive unannounced at the Health Centre unless the matter is extremely urgent.

## CANCELLING APPOINTMENTS

If you have registered for the online appointment service, you can cancel through our website:

[www.readinguniversitymedicalpractice.nhs.uk](http://www.readinguniversitymedicalpractice.nhs.uk) or by telephone on 0118 9874551

**TEST RESULTS** Doctor Comments may be obtained by emailing [bobicb-bw.umg@nhs.net](mailto:bobicb-bw.umg@nhs.net) or telephoning on 0118 9874551 between 10am -5pm. Patients must provide their name, date of birth and date of test.

## REPEAT PRESCRIPTIONS (48 hr service)

If you need a further supply of medication that we have put on our repeat prescription system, you can request this online through our website:

[www.readinguniversitymedicalpractice.nhs.uk](http://www.readinguniversitymedicalpractice.nhs.uk)

You can also request repeat prescriptions in person at reception, in writing preferably by using the computer generated side-slip ticking each item required or by email to [bobicb-bw.prescriptions@nhs.net](mailto:bobicb-bw.prescriptions@nhs.net) - providing the patients full name, date of birth and medication required.

## TEXT MESSAGING

We will use your mobile telephone number to send SMS text messages about the surgery and to remind you about appointments. If you do not wish to receive text messages from the surgery please let reception know. Please note – you must remember to let us know if you change your contact telephone numbers, home or mobile.

## HOME VISITS

Please do not ask the Doctor to visit unless the patient is genuinely too ill to come to the surgery. Home visits take the Doctor a great deal more time and often full examinations and tests cannot be done in the home. Please let us know if the problem is urgent and we will arrange for the doctor to speak to you.

## NAMED GP

All Patients are allocated a named accountable GP who will be responsible for your overall care. You are still free to make an appointment with any GP at the practice.
