This appointment is in addition to any other appointments you may have already arranged.

What you should do next:

- Arrange your review appointment as directed in the Appointment details table above.
- Let us know if you are unable to attend so that we can arrange an alternative appointment for you.
- Please arrange to have a blood test when you call to make your review appointment.
- You should have your blood test at least **3 days before** your review appointment. We will discuss your result(s) during your review appointment.

It is important that you have the blood test first before you have your review appointment

Yours sincerely

On behalf of the doctors

The Cardiovascular Risk Reduction Type 2 Diabetes Service is a non-promotional medical service which is funded by AstraZeneca and delivered by a team of pharmacists employed by Interface Clinical Services, working on behalf of AstraZeneca.
