

Listening Ear Service

Are you recently bereaved and in need of some support?

This service is for people who are isolated and vulnerable in our communities who have experienced the recent death of a loved one. Although not a counselling service, we offer information, support and signposting via the telephone for **6 calls of up to an hour.**

To make a referral please call
01726 829874 to speak with one of our
Community Engagement Team or email **communityservices@cornwallhospice.co.uk**
