## Joining the New Road Surgery Patient Participation Group (NRSPPG)

We have an active Patient Participation Group and would like to personally invite you to become a member. The aim of the Group is:

- to improve communication between the patients, doctors and staff of New Road Surgery
- to look at how suggestions or complaints can improve the service offered
- to gain the views of patients using a Patient Survey
- to promote Health Education and topics of interest and value to patients

The Committee is elected annually and meets most months. We are looking for new committee members as well as forming a wider group to feed ideas and suggestions into the committee and to meet at social events and on a less frequent basis.

Please register your interest by completing the form below and handing it in at Reception at New Road Surgery or emailing it to the email address above.
