Pregnancy Referrals in Shropshire, Telford and Wrekin

Since the recent (August 2021) introduction of BadgerNet to The Shrewsbury and Telford Hospital NHS Trust the way in which women can refer the pregnancy has changed.

1. **Self-Refer Online –** Search for The Shrewsbury and Telford Hospital and navigate to the Maternity page (https://www.sath.nhs.uk/wards-services/az-services/maternity/). Here there is a message that states:

*"Already pregnant? You can come direct to us. Self-refer through our **BadgerNet Maternity Notes System** or call 01743 261085 to book an appointment."*

From here they will be directed to the Badgernet Maternity Notes Page – BadgerNotes. https://www.sath.nhs.uk/wards-services/az-services/maternity/badgernet/
They are able to click on the link or scan the QR code to begin the referral process. Directing them to https://www.badgernotes.net/SelfReferral/CareLocation/SATH

2. **Over the phone –** Women are able to call 01743 261085 to book an appointment

The basic information required to complete the Registration is:

- Date of Birth
- Contact Telephone Number(s)
