

Dr Miles & Partner

is working with Keele University on a research study called

to collect some brief research information using different digital methods.

Which Automated Methodology?

- ✓ If you are age 18 years or over, you may receive a text message or a letter from us, inviting you to take part.
- ✓ Taking part in the WhAM study involves completing a very short online questionnaire.
- ✓ It's up to you, whether you take part or not.
 - ✓ If you do take part, your responses will go straight to Keele University and will be kept confidential.
- ✓ Please take a **Participant Information Leaflet** for more details...
- ✓ Online information is also available in Polish, Romanian, Panjabi and Urdu.
- ✓ If you would like more information, please contact the WhAM study Chief Investigator:  ctu.operations@keele.ac.uk
