Changes to parking from 1 November 2013:

Parking tariffs have changed at the City General Hospital (not at Haywood Hospital) and Blue Badge holders are not exempt from tariffs. The City General Hospital is currently under construction, work is expected to be complete by Autumn 2014. We apologise for any inconvenience this may cause you. Please visit www.uhns.nhs.uk for updates. If you are arriving by car, the following guidance will direct you to the car parks which are situated closest to the building where your appointment is:

- **Cancer Centre:** Please enter the site via the A34 and park in car parks A or C.
- **Maternity Centre:** Please enter the site via the A34 and park in Car Park B.
- **Main Building/Children's Centre/Trent Building:** Please enter the site via Hilton Road and use car parks D, H, F or K or one of the smaller adjacent car parks. Enter via Main Entrance.
- **Emergency Centre:** Please enter the site via Hilton Road and use Car Park J.
- **Lyme Building:** Please enter the site via the A34 southern entrance and use car parks G and N.

Smaller car parks are not currently displayed as they are subject to construction but may be available at the time of your visit. Patient and visitor car parks are identifiable by their pink signage.
