Comments, Feedback & Actions:

****Lilely Comments** Supportive members **Extrely Likely Comments**** I really appreciate doctors who look after me do much and provide excellent care. Always give time and listen. I can-not thank enough to doctors and all the staff who lookafter their parents with care and respect.**Because I am with the doctors for a very long time and I travel all the way here because this is the best surgery. Reception staff is excellent and always willing to help and doctors are great. They provide the best care.**Because doctors are really good and they provide the best care which I am really thankful.**I am very happy with the service I get here. Doctors are really good and provide best care and Nurse is really good and reception staff is really good and provide best service by phone or F-F.**Close to my residence always friendly and always able to get an appointment.**Because never had problem making appointments and staff is excellent, never rude or moody always help. Doctors are amazing and see me with care and always give enough time. I am very happy. This surgery is no. 1.**I am always pleased when I visit the doctor who is always ready to see me also receptionists. They are always caring and patience.**Because this GP surgery is the best. I travel from far only because I never want to change my surgery as doctors give time to see and give excellentcare. Allreception staff, nurse and manager are very good.**The doctor and the staff are one of a kind they are very helpful and very polite as always.**GPs, Reception I am proud. Any issue I have is solved. Everyone working hard. This surgery best.**Quality patient centered care is provided by this surgery. The Practice nurse J is fantastic and gives holistic care and advice. She is very experienced and competant.

Patients are satisfied with service & care the surgery provide. Keep it up & do everything much better all the times to deliver high quality of care for patients satisfaction. Treat patients with dignity.
