

Private & Confidential / Podiatry Department

Self-Referral Form

Please read accompanying leaflet 'Information for patients' before completing the self referral form. This leaflet will provide you with information on eligibility on accessing the Podiatry Service as well as self management options for your foot condition. On completion of your form please post to the following address or email to:

Podiatry Service
Aberdeen Health and Care Village
50 Frederick Street
Aberdeen, AB24 5HY
Email: gram.podiatryselfreferral@nhs.scot

Your self referral will be reviewed by the Podiatrist and you will be contacted by letter with the outcome, this may include an assessment or self management options.
