

Are you looking after someone? Please read this...

**Do we know you are a Carer? Or do you have a Carer?**

Are you providing help and support to a relative, partner or friend who cannot manage because of disability, illness or frailty?

Let us know by completing a **Carer Registration form** (available from your GP Surgery reception)

Hand the completed form to your GP Surgery who will make a note on your medical records of the person you care for, that you are a Carer and on your records that you are a Carer.

**If you would like us to refer you to Cheshire West Carers Support, please also sign the consent on the form.** They will send you information such as regular newsletter, how to register for **Carer's Emergency Card**. They will inform you of any events happening in your area, advice and support available, including access to respite, emotional and financial support.
