

Working Potential Bolton

@workingpotentialbolton

@WorkPotBolton

Working Potential is an Ambition for Ageing Project in Bolton in partnership with GMCVO funded by the Big Lottery Fund & delivered by Bolton at Home.

Anyone with caring responsibilities aged 50+ who want to explore employment or training opportunities will be encouraged and supported on their journey into new working roles, at the same time boosting self-esteem, reducing social isolation and assisting integration into new and wider communities.
