

GMS / PMS Contractual Requirement and Statement of Intent Offering and Promoting Patient Online Services by March 2015

GMS 2014-15 Contractual Requirement for Patient Online Services

It is a contractual requirement for GP practices to offer and promote to patients: online booking of appointments, ordering of repeat prescriptions and by 31st of March 2015 access to summary information (as a minimum) in their patient record, subject to the necessary GP systems and software being made available to practices by NHS England.

Self-declaration - Question 4

Dr Perkins' Practice - P85608

This question seeks to establish your practice's compliance with Patient Online contractual requirements.

Patient online access <i>(GMS Schedule 6, part 5, new paragraph 74C, PMS Schedule 5, part 5, paragraph 70D)</i> http://www.legislation.gov.uk/ukxi/2014/465/regulation/8/made (GMS) http://www.legislation.gov.uk/ukxi/2014/465/regulation/14/made (PMS)	
4J (n). Patients at this practice can book appointments online.	Yes
4K (n). Patients at this practice can order their repeat prescriptions online.	Yes

Plan to meet GMS 2014-15 Contractual Requirement for Patient online Service

This practice currently offers patients the facility to book, view, amend, cancel and print appointments online.

This practice currently offers the facility for all patients to order online, view and print a list of their repeat prescriptions for drugs, medicines or appliances.

This practice plans to offer patients the facility to view online, export or print any summary information from their record, relating to medications, allergies or adverse reactions by 31st March 2015. This facility is unavailable on our current clinical system.

This date is subject to the necessary NHS GP systems and software being available to the practice by NHS England. The practice has a planned migration to EMIS Web clinical system in November 2014.

We will publicise and promote our online services to our practice's patients through practice leaflets, notices and on NHS Choices by 30th September 2014

	Planned activity	Date
1	Promote our online services via NHS Choices, practice leaflets & notices	September 2014
2	Migration to EMIS Web clinical system	27 th November 2014
3	Write up practice policies and run internal staff awareness sessions	December 2014
4	Agree the initial small group of patients to use access to records	January 2015
5	Review any nationally provided support material from RCGP/NHS England	January 2015
3	Train relevant staff for patient records access, e.g. receptionists	January 2015
4	Commence summary information access to records for patients who request it	February 2015 onwards
