

11 January 2021

Dear Patient,

COVID-19 Vaccination Programme

We understand people are worried about when they will receive a COVID-19 vaccination so we are writing to provide a brief update on the vaccination programme.

GP Led vaccination clinics

We will receive our first supply of COVID-19 vaccines this week and will run a vaccination clinic this weekend. As we receive a limited supply of vaccines we are required to invite patients over 80 years of age, and according to eligibility instructions issued by NHS England. Therefore if we have not contacted you yet we will do when we receive our next delivery, which we expect to be the following week. We WILL invite all eligible patients as soon as we can. We WILL contact you.

Mass Vaccination Clinics

Some patients may have received a letter from NHS England advising that they can book a COVID-19 vaccination at some regional vaccination centres, which includes the Etihad Stadium in Manchester. If you have received one of these letters you are eligible to make a booking at these regional clinics, or you can wait and book an appointment via the practice.

Queries

If you do have any questions or concerns about having the vaccination, please ring [0161 426 9910](tel:01614269910) or email STOCCG.PxEnquiries@nhs.net

Thank you for your ongoing support and patience during these difficult times.

Yours sincerely

Dr Andrew Johnson

Dr Maher Al-Ausi
