4 June 2021

Dear Patient,

COVID-19 Vaccination Update

We are pleased to confirm that we are coming to the end of the COVID-19 vaccination programme, and are awaiting confirmation of final deliveries which we expect to be towards mid-June.

Working at Hazel Grove Baptist Church with our GP practices from the Hazel Grove, High Lane and Marple PCN, we have given **28,318 vaccinations** since 16 January 2021.

Of course, we are so grateful that our fantastic practice team have worked evening and weekends to make this happen, whilst continuing to maintain practice clinics at the same time.

We would like to express our sincere thanks to all the patients who have volunteered at the clinics, who have been helping patients at the clinic whether rain or shine (mainly rain, and a lot of snow!), and without them we simply could not have provided the vaccination clinics safely and efficiently.

Lastly, we would like to give a special thank you to Zoe, Jess, Kirsten and Paul at Marple Mutual Aid who have been simply incredible helping to coordinate the volunteers. Their dedication and support since the beginning of the pandemic in March 2020 has been immense, and have become an integral part of our community. We look forward to working closely with them in the future.

Patients, aged 30 and over, or those with underlying health conditions, who have not yet had their vaccination, can book their appointment by telephoning 119 or online at www.nhs.uk/COVID-Vaccination

There are a number of vaccination clinics in, and around, Stockport which have opened this week in Bramhall, Stockport, Hazel Grove & Wilmslow. There are also a number of pop-up vaccination clinics being arranged, visit our Facebook[1] and Twitter[2] pages to keep up-to-date with the latest information @MarpleSurgery

Yours sincerely

Dr Andrew Johnson   Dr Maher Al-Ausi
