## Social activities and wellbeing support for men in Stalybridge

Wednesday afternoons 13:00 – 15:00  
Starting October 2022

An alternative space for men to socialise.

The Shed Tameside, with support from Action Together, are planning a series of FREE social sessions for men in Stalybridge that are open to all men from across Tameside.

The activities will include:

- sporting memories
- musical memories
- pub games
- friendly banter and much more over a cuppa

Sessions are interesting and interactive in a safe and welcoming environment where men feel valued and can make new friends.
