- ✓ Do you need to see a GP or a nurse or have a blood test?
- ✓ Do you struggle to make an appointment during work/school hours and would prefer an evening or weekend appointment?

The 7-Day Extended Access Service provides out-of-hours, routine, pre-booked appointments for all patients registered with a GP surgery in Tameside and Glossop.

GPs, nurses and healthcare assistants are available in the evenings and at weekends - see overleaf for opening hours.

### Booking an appointment

The receptionist at your GP practice will be able to book an appointment for you at one of the 7-Day Extended Access Service hubs in Ashton, Hyde or Glossop.

While you may not see your registered GP, all doctors, nurses and healthcare assistants will have access to your medical records with your consent.

If you have any difficulty booking a 7-Day Extended Access appointment or have any suggestions on how we can improve the service, please email [TGCCG.7dayaccess@nhs.net](mailto:TGCCG.7dayaccess@nhs.net)
