Key Partners in the Centre are the Service Users

The Centre provides

- Advice and Information
- Assessment
- Audiology Services
- Ophthalmology Services
- Social Work Services
- Disability Nursing Advisory Service
- Equipment Display area
- Training and development for service users, their families, their carers and related service providers
- Children's Groups & Youth Groups
- Volunteer opportunities
- Social Activities such as arts & crafts, exercise class, lip reading and other groups who meet regularly and have guest speakers and outings

The building contains innovative new features using the most up to date technology that raises the standard for future buildings

You can

- Visit the Resource and Equipment Area with a wide range of equipment on display and for sale
- Refer clients that live in the Falkirk or Stirling areas for assessment for equipment or for rehab services
- Refer clients for various social groups and activities such as art and crafts and computing
- Have documents transcribed to audio on tape or CD Studio
- Use the Transcription Services to enable information to be provided in Braille and large print
- Book a room for a meeting or a training event. The Centre offers flexible spaces and catering can also be provided
- Visit the Café for a snack in a friendly and open environment to socialise and there is a large patio for sunny days
- Refer clients for the support worker service
- Visit the Sensory Garden
- Book the sensory room
- Add clients to the mailing list to receive the monthly newsletter
