**FRIDAY 22<sup>nd</sup> November 2019 - 3.45pm**

Following my message this morning, I am pleased to tell you that the BT engineer has been back in and all our phones at Glenlivet are working again.

I am hopeful everything is now as it should be, but if we find there is a problem again on Monday, please call the Grantown number as they can get a message to Glenlivet. (01479 872484)

Thank you all for your understanding as we worked on this problem - it has been a very difficult week!

Executive Manager
