**REFURBISHMENT UPDATE THURSDAY 12<sup>th</sup> DECEMBER 2019**

Dear Patient,

I am writing to update you on the situation with regard to plans for refurbishment of the surgery building.

As you know we planned to move in to the Croft Inn in November, but due to issues with getting BT to install our computer link this date has been delayed.

NHS Grampian have advised me today that the move will NOT take place before Christmas and they are still waiting for BT to confirm the date for the installation. We have been told there are issues with the ducting that carries the cabling and this is causing the delay.

NHS Grampian are hopeful that we will have some progress in order to move in early January, so I will advise you as soon as we have further information.

Thank you again for your patience with all the uncertainty of a moving date,

Yours Sincerely,

Kathy Cockman  
Executive Manager
