## ***Practice Nurse***

Part time (16 hours per week)

Permanent Position

Salary dependant on experience

An exciting opportunity has arisen for a qualified Practice Nurse to join our multi-disciplinary team. We are a busy training practice based over two sites. The position will mainly be based at our Thurso site but you may be required to cover Halkirk on occasion.

This is a varied role which will encompass cervical screening, chronic disease management, patient advice, telephone triage (training provided), ear irrigation, venepuncture, suture removal, injections as well as other nursing duties. Practice nursing experience desirable but not essential as training will be provided. A detailed job description is available.

The successful candidate must be registered with the NMC and will be someone who is proactive, uses their initiative, works well independently and as part of a team as well as under pressure, understands and maintains strict confidentiality at all times and is courteous and respectful. You will be required to work flexibly to meet the needs of the service and cover annual leave or sickness.

The position offers a competitive salary, excellent terms and conditions including generous holiday entitlement, maternity leave and pension.

If you are interested in the above position, please write to or email Helen Elder, Practice Manager, Thurso & Halkirk Medical Practice, 69 Princes Street, Thurso, KW14 7DH ([helen.elder2@nhs.scot](mailto:helen.elder2@nhs.scot))

Applicants must include a covering letter along with an up to date CV. Closing date for applications – Wednesday 7<sup>th</sup> February 2024
