

Duty of Candour Annual Report

1 April 2022 – 31 March 2023

The Health (Tobacco, Nicotine etc and care) (Scotland) Act 2016 sets out that organisations must prepare and publish an annual report of unintended or unexpected incidents that have occurred during the year.

Only incidents where significant harm has resulted need shared. You must publish a report even if no incidents have happened.

When published, an email notification should be sent to dutyofcandour@gov.scot
