HOME VISITS

Are you housebound or too ill to leave home?

Ring the surgery at 8am or as early as possible and we can offer you telephone advice or a telephone appointment with the clinician who will then advise a home visit. Remember if you are able to come to the surgery we will then have time to visit those who are too ill or infirm to leave home.

YOUR VIEWS

We welcome your views so please let us have your suggestions. We also have an active Patient Participation Group. We follow NHS complaints procedures - just ask at reception for details.

JOIN OUR PRACTICE

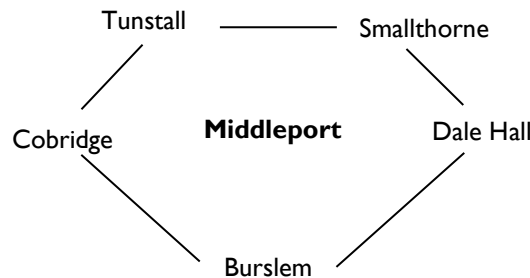

Our list is open and we are delighted to accept new patients to the practice. Please ask for a registration form at reception. Following your registration you will be required to have a new patient health check to enable your registration to be completed. An appointment for this will be offered with our Health Care Assistant.
