You can now choose to refer yourself directly to your local HSC / Trust Physiotherapist.
What is self-referral?
Self-referral is a direct route to physiotherapy for those who live within the South Eastern HSC Trust. It allows you to refer yourself to physiotherapy for assessment and treatment when you require it.

Can I self-refer?
If you are over 16 and are suffering from low back pain, neck pain, recent injuries such as strains and sprains or joint or muscular pain, self-referral physiotherapy is for you. You should consult your GP if you are under 16, under the care of a consultant or if you require physiotherapy for a neurological, respiratory, obstetric or gynaecological condition.

What happens once I send in my referral form?
Your form will be reviewed by a senior physiotherapist. If your condition is assessed as urgent, you will be contacted by telephone to agree an appointment. If your condition is assessed as less urgent, you will be contacted by letter inviting you to telephone to make an appointment at a date and time that suits you.

How will I benefit?
You can benefit from self-referral in the following ways:
- It is a direct route to advice and intervention when you most need it.
- It gives you the opportunity to consult with a specialist musculoskeletal physiotherapist to help you manage your condition.
- It allows you to consult with a specialist and gain the opportunity to consult with a specialist.

Failure to attend
If you do not attend the appointment you have agreed and fail to contact us within 24 hours, you will be discharged from the service. The outcome of all physiotherapy assessments and treatments will be forwarded to your GP.

What should I wear?
Please wear comfortable shoes or trainers and bring appropriate clothing such as shorts or a vest-top or T-shirt. Failure to attend your appointment at a date and time that suits your condition is assessed as urgent will result in your condition being assessed as less urgent.

What happens once I send in my referral form?
Your form will be reviewed by a senior consultant physiotherapist. If you are unsure of the process, please consult your GP.

Can I self-refer?
If you require physiotherapy for a neurological, respiratory, obstetric or gynaecological condition, consult your GP. If you require physiotherapy for a neurological, respiratory, obstetric or gynaecological condition, consult your GP.
